

**Washstand Preciosa Pro** made from the copolymer-bound mineral material VARICOR® (material in accordance to ISO norm 19712). Homogeneous, coloured throughout, pore-free material, without surface sealing like gel coat or glaze, largely resistant against disinfectants and commonly-used chemicals, heat resistant against burning cigarette, standard plain white colour shades (arktis, white-alpine) have good antibacterial properties in accordance to ISO 22196 (other colours on request). Optionally available with antiviral properties.

**Single washstand** moulded to order in one piece, **multiple washstand** made of several single washstands bonded together seamlessly and ready made-up, with side shelves, machinable on site, with round basin, with slightly dropped tap ledge, standard with overflow, optionally without overflow, optional tap hole, with skirt, with chamfered wall-connection profile.

Alternatively available with raised 80-mm wall-connection profile.

**Preciosa Pro** qualifies for CE marking in compliance with DIN EN 14688.
